Problem

- Random marketplaces are noisy
- No structured buyer requirements
- Too many unverified suppliers
- Internal team conflict in buying houses

Solution

- Structured Buyer Requests
- Verified Supplier Priority
- Internal Agent Lock System
- Organized Partner Network

How GarTexHub Works

1. Post or Search

Buyer posts structured requirement, Factory posts product.

2. Smart Matching & Take Lead

Buying house agent claims request and AI provides a summary.

3. Chat, Call, Contract

Schedule meetings, sign digital agreements, store in Legal Vault.
