Structured  
Buyer  
Requests

Verified  
Factories

Digital  
Contract  
Vault

AI Guided  
Workflow

## Problem

- Random marketplaces are noisy
- No structured buyer requirements
- Too many unverified suppliers
- Internal team conflict in buying houses

## Solution

- Structured Buyer Requests
- Verified Supplier Priority
- Internal Agent Lock System
- Organized Partner Network

## How GarTexHub Works

### 1. Post or Search

Buyer posts structured requirement, Factory posts

### 2. Smart Matching & Take Lead

### 3. Chat, Call, Contract

Schedule meetings, sign digital agreements, store in

product.

Buying house agent claims request and AI provides a summary.

Legal Vault.
